Mr. G. B. E. Truscott : A certain amount of work has been carried out and an amount of Rs. 1,077 has been spent and the road has been rendered fairly satisfactory and safe for traffic.

Mr. G. Narayana Aiyar : With reference to the answer to part (*b*), is it a fact that a memorial dated 8-12-1098 was sent to the Dewan, the Chief Secretary and the Chief Engineer concerning the opening of that road ?

Mr. M. N. Paramesvaran Pillai: With reference to the answer to part (*b*), may I know from the member why interest at least at the rate allowed on current deposits, is not allowed?

Rao Sahib Dr. N. Kunjan Pillai: These deposits are treated under Debt Head and I am told by the Financial Secretary that they do not carry interest.

Sir, with your permission, may I ask the Financial Secretary to answer the supplementary questions?

President: All right.

Mr. M. N. Paramesvaran Pillai I want to know why interest at least at the rate allowed for the current deposits is not given for these deposits?

Mr. R. Nilakanta Pillai (*Financial Secretary to Government*) There is no interest for current deposits

Mr. M. N. Paramesvaran Pillai: Is there no interest for current deposits?

Mr. R. Nilakanta Pillai: No.

Mr. M. N. Paramesvaran Pillai: In that case, may I know whether Government have any objection in allowing to deposit the money in some recognised banks and produce the pass books in courts so that such money may carry some interest?

Mr. R. Nilakatan Pillai: They can do it only on their own responsibility. It is practically the suitors' money. The plaintiff also should agree in such cases. Otherwise there is no safety for the money. So it is entrusted to the Government.

Mr M. N. Paramesvaran Pillai: I think the member has not understood me correctly. Under the present rules the deposit could be made only in the Government Treasury and not anywhere as the litigant pleases. I want to know whether Government have any objection to modify the existing rules so as to enable them to deposit the money in some recognised banks so that the amount may carry some interest?

President: It is not merely a question between the Government and the depositors. The plaintiffs concerned must also agree. That is how I understood the Financial Secretary.

Mr. M. N. Paramesvaran Pillai: A word of personal explanation. In all cases the opinion of the plaintiff is not taken. For example a mortgagor, immediately he files a suit, deposits the money in the treasury and produces the receipt.

LIBRARY ARCHIVES Kerala Legislative Assembly

President : That is the present rule. The rule has got to be changed. The opinion of those who are concerned will have to be obtained before Government can say yes or no. The present rule is that they have to deposit the money in the Government treasury. There is a third party also interested. Unless the third party is also consulted Government cannot give a definite answer.

(*b*) if so, what action has been taken on the same?

Mr. James Simpson : (*a*) Yes.
